Dear Colonel Gattan.

I wish to tell you
that I have applied officially
to the Hon^y Secretary of the
Charity Organization Society,
for a fee, for my attendance
in connection with the
prosecution of the prisoner,
Bernard Gunning.

W. John Dale informed me,
that it was desirable to
send my application at
once, as the accounts of the
Society were shortly to be
made up.

I may add, that when
my claim against the
C. O. Society for the assistance

I have rendered, has been
acknowledged, I shall be
glad to give the amount
of my fee, as a contribution
to the funds of the Society;
but, I wish to have it put
on record, that whilst
the Society can contribute
to the support of an
Impostor, they are likewise

willing to requite the services
of an honest man, and
that he on his part,
recognizes on the whole, the
value of a Charity for the
benefit of deserving people!

I remain,

Dear Col. Patton
