Mr A. Mone
Walpole St Peter

CHURCH COMMISSIONERS' OFFICE,

13, Great George Street, Westminster,

8 May 1843.

SIR,

In reply to your Letter of the _____
relative to the Drayback on the Bricks, Glass, and Foreign Wood, ^{to be} used in
erecting a Chapel of Ease in the Parish
of Walpole Saint Peter _____

I am directed by Her Majesty's Commissioners for Building New Churches to send you the accompanying Form of Application, and to request that after it has been filled up, and signed, by the Parties indicated in the Note appended thereto, it may be returned here, with a Debtor and Creditor Account of the Receipts and Disbursements, to be laid before the Board at their next Meeting.

Referring to the subjoined information, which may be serviceable to you,

I am,

SIR,

Your faithful and obedient Servant,

G. J. J.

N.B.—If the Application for Drawback is considered by the Board to be admissible, the Applicants will be apprised when a Treasury Warrant for the Investigation of the Case by the Commissioners of Customs and Excise has reached this Office, and will be informed of the steps consequent thereon; but should it, on the contrary, be found inadmissible, the Applicants will receive an intimation to that effect.

No Application can be entertained until the New Church or Chapel has been consecrated, or, in the case of an Enlargement, the Works completed, and the Church re-opened for the performance of Divine Worship; nor is an Application from a Contractor, or Builder, for his own benefit, admissible.

By the Directions of the Lords of the Treasury, the Board cannot recommend any Case to their Lordships where the outlay has not amounted to £400 and upwards.

The Meetings of the Board are generally held on the Second and Fourth Tuesdays in each Month (except during the Autumnal Recess); and all Applications should be sent here pre-paid a few days previously.
