Dear Sir

I did not receive your letter of yesterday's date in time to answer it by the early Packet, having been in attendance in a Master in Chancery's Chamber from an early hour, till past Post hour, however I think I can answer it now satisfactorily -

The date of the Conveyance from Rev. Mr. Clowes is 31st Oct. 1820 - to Lady Booth &c.

- | | |
|---------------------------------------|-----------------------------|
| 1 Release by her &c. to Richd. Corton | 10 Dec 1825 |
| 1 do. to Mr. Dixon | 30 Sept. 1823. |
| 3 Conveyance to Sir Robert | 22 nd March 1824 |

upon looking over the list of Chief Rents sent by Messrs. Dukes &c. (of which no doubt they kept a copy) I do not find the Names Corton and Dixon, and as no other Grants by you and the other Trustees were sent to me, I presume none other have been made, but even had they been made, it is provided by the Mar. Articles that the Trustees

Br. Booth &c.

shall have power, with consent of Sir Robt. and Lord Lorton,
to sell all or any of the Chief Rents specified in the Schedule.
However no other part of the Laurencian Property has been
seized but those mentioned in the Schedule—

Remain D. Sir

Y^r very truly,

Wm Goddard

Dear Sir,

In compliance with your letter of the 17th I wrote to Mr. Dawson requesting his written reply to the question, whether he will or will not go over and give his consent to the Bill, in consequence of which he called on me, and declines giving a written answer at present but says, that upon being secured in a sum of Five hundred Pounds, he will go over and give his Consent and if necessary for that purpose will remain for that sum, a period of two Months, but if his attendance should be required for a further period than two Months, he must have an additional reasonable sum, to be hereafter settled - in

B. Booth Esq.

the first place however, should these terms be
agreed to, I am to get Col's opinion that such
consent will not be detrimental to his interest
in the Lands —

I expect Lady Booth will be in Town
in a few days — waiting your early Reply

Gentlemen

In reply to your letter of the 5th May to say that

the impression upon my mind is that you have had a release from the Trustees of
the first Marriage Settlement of the present Sir Robert Gore Booth. By the Deed
which you have now with you that only specific property was settled and the whole
I do not believe that any such certificates about names & change of name can be procured
You is well known in your office that this matter has been agitated some years ago
at a time when I made affidavit that I had known both Sir Robert Gore & the
late Baron de ^{their} well as using the arms of Booth. No doubt every thing was done that the
Law required if it could put any money into the late Sir Robert's ^{then} hands for he was a most grasping scoundrel but as he is gone where such generally
spends, to the Devil perhaps, no information can be got from him
certificates of Robert's baptism & everything else on the subject of change of name
& bearing of arms that could be got were furnished to your office at the time the
Fair was held at Lancaster. I shall write to Dublin about the release though
I believe you have it & I think you drew it out yourselves

Yours faithfully

Gentlemen

I will send you the deed tomorrow. I have only received it
late to night. The Mr. Lefroy whose name is wanted is I think
now in London on his public and private duties. I am happy
we have got over this difficulty so much more
easy than expected

D^r Sir

We are this day favoured with your Letter of yesterday, and send per packet/parcel office the Deed of Release you require which has been Registered in our Registry Office for Deeds - it has not yet been signed by Mr. Lefroy one of the Trustees in Roberts' first settlements, as we have never been fortunate enough to catch that Gentleman and of the Witnesses to the signature of the other Parties in Town at the same time -

We cannot give you any information respecting the assumption of the Name V Ains of the Booth family, should such be insisted upon by the Purchasers, search must, we conceive, be made in the College of Ains, where no doubt it will be obtained -

We are D^r Sir
Very truly yrs
